### **Course Description:**

**The 2019 championship course will be different from the course we raced during Race #2 this season. Karaway, Leapin Lizard, Miracle Mile and Y Knot are being considered for inclusion in the final course.**

This course is all kinds of fun! With 5.1 miles of trail and jeep road and 236 feet of climb, fast laps will be in 20 to 25 minute range and slower laps will be in 35 to 45 minutes. There are a lot of loose rocks and as the soil dries, it will turn sandier. Be sure to select a tire pressure that will help in this varying terrain.

Trail names: If you are familiar with Rocky Hill Ranch, then you may know these trails, if not a Rocky Hill Ranch trail map can be consulted.

1. Trail Head
2. Easy Up
3. Grey's Way
4. Fat Chucks Demise
5. Karaway
6. Leapin Lizard
7. Miracle Mile
8. Y Knot
9. Super Secret Switchback
10. Hard Boil
11. Home Stretch

We try our best to finalize the course before pre-ride on April 27th but there may be changes as a result of risk mitigation and conditions from weather.
